The year began with the usual Homecoming festivities and the Juniors choosing Leslie Wigg and Rocky Daberkow as their class attendants. Later on in the year the class held a slave auction as one of their money-making projects, bringing in over \$1,500. As is customary the Juniors also put on a hillbilly comedy play entitled, "A 'Feudin' Over Yonder" which brought in over \$200 of appreciated funds. All the money taken in was put to good use mainly to buy the decorations for this year's Jr.-Sr. Prom. Prom proved to be a lot of fun plus a lot of hard work.

Helmets clashing and shoulder pads crashing are all a part of what makes football such an exciting game. Our season's record was 3-2-2. We had three seniors make All-Conference on both offense and defense; Jim Russman, Dwight Munderloh, and Alan Jeppson. Honorable Mention-Defense went to Jerry Bargmann, Keith Munderloh, and Dudley Sorensen; Honorable Mention-Offense; Rick Logeman and Keith Munderloh. All in all, the season was a great success!

The Girl's Basketball season came to a sudden end this year, losing the first round in districts. It was a real disappointment for the girls as most of them had had the honor of belonging to a district champion team last year. Our team had a winning record of 8-7. Linda S. was chosen as captain of the Lewis and Clark All Conference Team. Kellee K. was placed on 2nd team and Connie L. received honorable mention. Linda and Kellee were chosen as co-captains by a vote of the players.

However this did not end their season, two members of the team qualified for the State Track Meet.

Connie Larsen competed in the 100 meter dash and Linda Samuelson competed in 4 events, the 400 meter dash, the 800 meter run, the 100 meter hurdles and the long jump. The girls ended the season feeling very satisfied.

The Nitwits

The Sr. Class Dinner Theater was held on April 11 and 12. The Sr. Class served a delicious ham dinner. The Logan Valley Dutchmen Polka Band provided the music. Jani Waddell directed the play.

The play was about Tommy Winter, (Lenn Zuhlke), and his scheme to make money for college. He put an ad in the newspaper, saying he was a psychiatrist. He ended up "helping" a houseful of nuts, with the help of his friend, Steve Grinnell, (Glen Tietz). In the end, the "nuts" were just actors hired by Tommy's father, and Tommy got his money for college! The two nights were very entertaining and total successes.

*Christmas Prom

On the night, December 21, 1979 the Seniors hosted the Christmas Prom dance. The dance featured "Atilla", a live band from Omaha. A good time was had by all those attending.

Sneak Day 1980

OMAHA

At 6:30 a.m. on Friday, May 9, 24 Seniors, 4 sponsors, and our bus driver headed out for a weekend in Omaha. Everyone was all excited, the Sneak Day 1980 had finally arrived

When we arrived in Omaha we went on a tour at WOW and KEZ092. The biggest part of the weekend was hearing "Bancroft Seniors", over the radio

We went to our hotel, the Holiday Inn, for a little while. In the afternoon we went to SAC Airforce Base. By that time everyone was rather tired. We finally got an hour or so to rest, but some of us went swimming

On Friday evening we went to Peony Park for a night of amusement. When it was time to go, we couldn't find our bus or the driver. After 45 minutes of waiting, he came. Boy did we give him a bad time.

The night was long, but yet it was short. Some hit the sack early and some went ALL night. But everyone enjoyed themselves.

Saturday morning was a time to rest. Those who were up all night just layed around and some went swimming. Like Glen, he was so into swimming he had to get 3 stitches in his forehead. He tried to do a handstand and instead hit his head.

In the afternoon we went to the Henry Doorly Zoo. Oh, if you could have seen Lenn pushing Byron up those big hills in a wheelchair, POOR LENN!

The weekend was ended with supper at Mr. C's Steakhouse. We had fun, and our sponsors, Mr. and Mrs. David Carper and Mr. and Mrs. Larry Bargmann were great. Sneak Day 1980 was a real success.

Mark,

we've really had some good times together since we've started at B. H. S.

Remember driving around before picking up corn, that fall. (I almost got sick going over all those hills. The next time I have a hang-over I'll make sure I don't ride with you.)

I saw your picture, Boy! You look good in a dress. (You'll have to wear one like that to Prom again next year.) Stay your same crazy self and try to take it easy on your father's car, (O.K.?)

"83"

A friend Always,
Darius
Burke
(Burp)

Mark, here we are well, here we are sophomore now. Only two more years. We've done a lot of good things together. Which got us in trouble. I don't think I'll forget the last year in Zion's! Remember the counting 1-2-3-4-5-6, that's it. Take it easy.

"83" A.F.A. Louise L.

P.S. Take it easy on your car since I can't.

Brian Benson (Steele)

I love your prom dress! (Ha, Ha). Well maybe next year you will be able to play as much baseball in your Junior year as I did. We've had a lot of good times together. Always be good, and if you can't be good be careful, and if you can't be careful, name the kid after me. "83"

Mark,
You were really cute in your Prom dress. Now you can consider yourself a junior & next year you can work on Prom good luck always.
Jan 9.

Sparky,

We've had alot of
good times together ever
since you came to BHS.

Remember after Homecoming
last year at Voting House
Hie? I still get the shivers
just thinking about it. Re-
member after Prom and the
little ride we all took to town?

Let's have some more good times
together. Stay crazy and have
lots more good times while your
in High School. Good Luck & God
Bless.
